TO: PRESIDENT DAVID PERSHING**FROM:** CATHY ANDERSON **SUBJECT:** STUDENT FEE COMMITTEE**DATE:** FEBRUARY 28, 2014

The Student Fee Committee had its final meeting on Friday, January 30, 2014. At this meeting we finalized our recommendations to you on the proposed amounts for general student fees for FY2015. There were no requests to increase the fee amount for FY2015. There will be a new fee for the Student Life Center that has already been approved by the student body as a condition to constructing the Student Life Center.

The Student Life Center fee will be \$60.00 per semester per student and will go into effect spring semester 2015 when the building opens.

This would result in an increase of 13% per semester although only 6.3% for FY2015 since the fee will only be in effect for half of the year. The detail is shown on the chart below.

If you have any questions or need additional information from the Student Fee Committee, please let us know.
